ACKNOWLEDGEMENT

We would like to acknowledge all those who have given moral support and helped in making the project a success.

We wish to express our gratitude to the e-Projects Team at the Head Office, who guided and helped us. We would also like to express our gratitude to all the staff members of our center for not only providing us with the opportunity to work with them on this project, but also for their support and encouragement throughout the process.

We would like to express our special thanks of gratitude to our instructor, Mrs. Pham Thi Lanh at the Aptech Computer Education HCMC for her able guidance and support in completing our project. We would also like to extend our gratitude to the staff at the Aptech HCMC office for provide us with all the facility that was required.

And finally, we would like to offer many thanks to all our colleagues for their valuable suggestions and constructive feedback.

SYNOPSIS

The Asian Festival Center is a new company established in 2021, the company wish to have their own website to introduce their existence as well as Asia's festival culture to the world. The website which they demand is supposed to provide to the user's information, friendly environment and navigation.

The menu must be stated at the top section of the webpage. Also, a decent look out and color combination is expected.

The website is to be developed for the Windows Platform using HTML5, JavaScript and Geolocation. The site should work well in all leading browsers including Chrome, IE, Firefox.

REVIEW 1

1 REQUIREMENT SPECIFICATION

The Website is to be created based on the following requirements:

- 1) The Home Page should be created making use of Sections with a suitable logo
- 2) The site should display a menu which will contain the options for brief introduction about the various categories or link, and about its feedback and so on.
- 3) Links of all the religion can be added and each religion link must open the list of the festivals coming under them.
- 4) The images of each festival must be added.
- 5) Navigation of the project must be made smooth and uniformity must be expected.
- 6) Various books based on the festivals must be added in the webpage, which user can see and purchase (for purchasing section the dummy procedure must be used).
- 7) Site map, Gallery, About us, Queries link, Contact us link must be added. Address of the Company should be displayed using GeoLocation API (eg. GoogleMaps).
- 8) The complete historic reason and its description must be allowed to get download as pdf or doc file.

2 PROBLEM DEFINITION

After reading and analyzing the project specifications, we have some problems as follows:

1. What information should be displayed about each festival?
2. Will the users be able to feedback their opinions?
3. How many festivals are there in each country in Asia?
4. How much does a book about festival cost?

And many more....

After consulting information from the Internet and several IT companies, The Asian Festival Center want to launch the Web application using HTML5, CSS3, JavaScript, Geolocation API and Bootstrap.

3 CUSTOMERS REQUIREMENT SPECIFICATIONS

1. Client: The Asia Festival Center

2. Business/Project Objectives:

- Provide a website to displays the information and purchases books for customers and services such as: “About us”, “Feedback”, “Contact us”, “menu”, “gallery” ...
- Users should be able to download information from the site to their computer.

3. Input provided by clients:

- Click on clickable links from menu
- Inputs to the existing system
- Outputs from the existing system

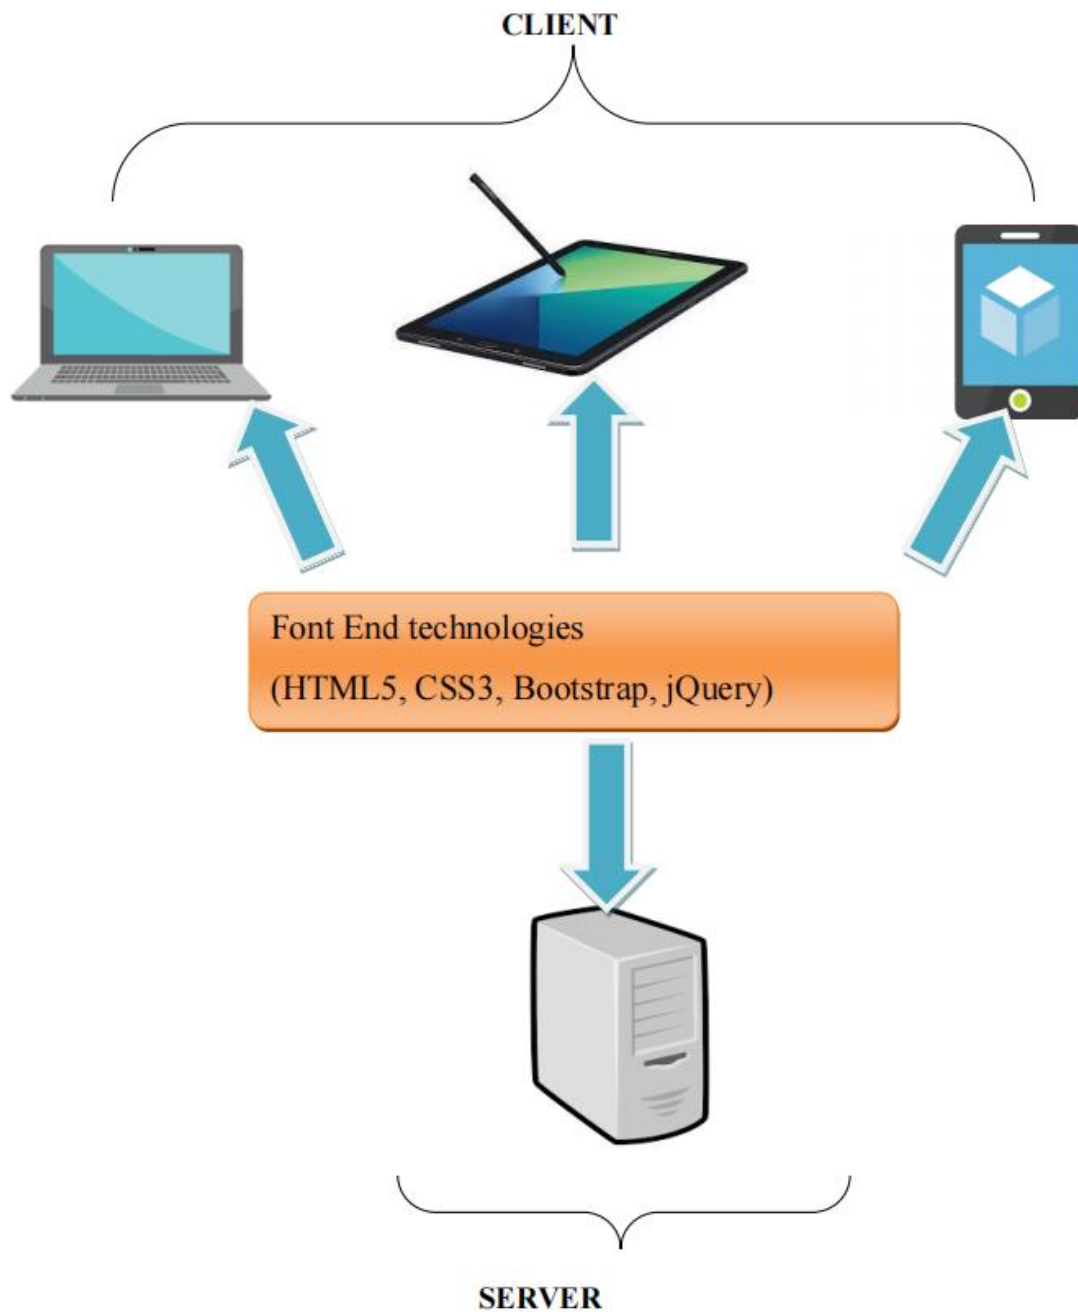

4. Hardware Requirement:

- A minimum computer system that will help you access all the tools in the courses is a Pentium 166 or better
- 64 Megabytes of RAM or better

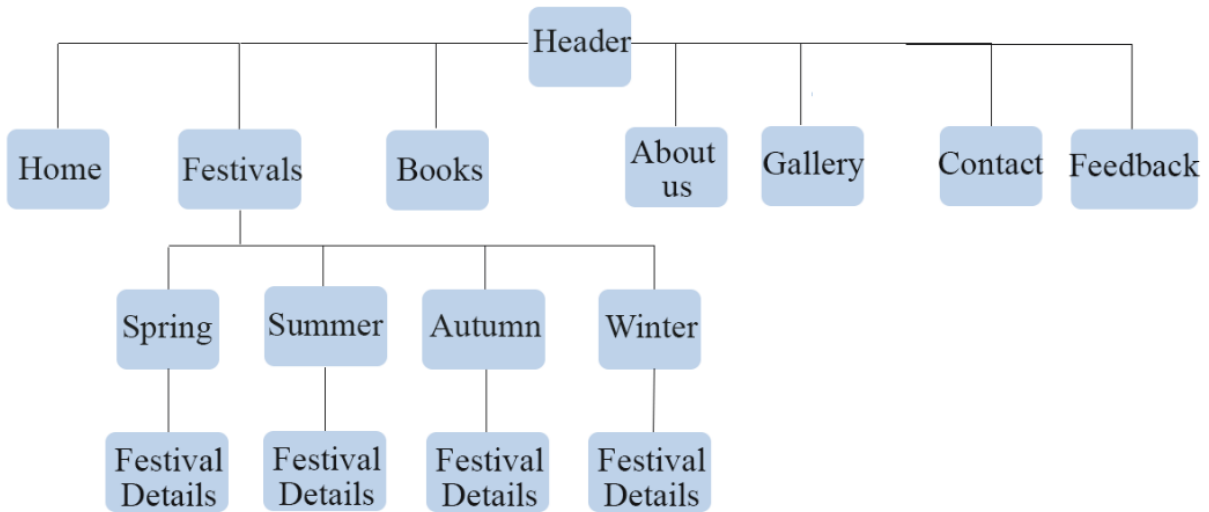

5. Software Requirements:

- Notepad/HTML editor
- Dreamweaver
- IE 5.0/ Netscape 6.0

4 ARCHITECTURE & DESIGN OF THE SYSTEM

5 SITEMAP

6 WEBSITE LAYOUT

The website layout is to be designed with a simple but “easy to use” design. Since the main goal of our website is to quickly provide needed information to the user, the way of the website works will be used almost like a travel blog. The site users will have a variety of interactions such as performing search function on a search bar, searching using dropdown menus, downloading Word documents, links to third party websites.

The websites will also have a few pages such as About, Contact Us which contain introductory information about the company and their office address.

6.1 HOMEPAGE

This layout below describes our HomePage which contains three important parts:

- Page-header and Navigation bar:

Page-header must have company’s logo and other links like contact us, account login.

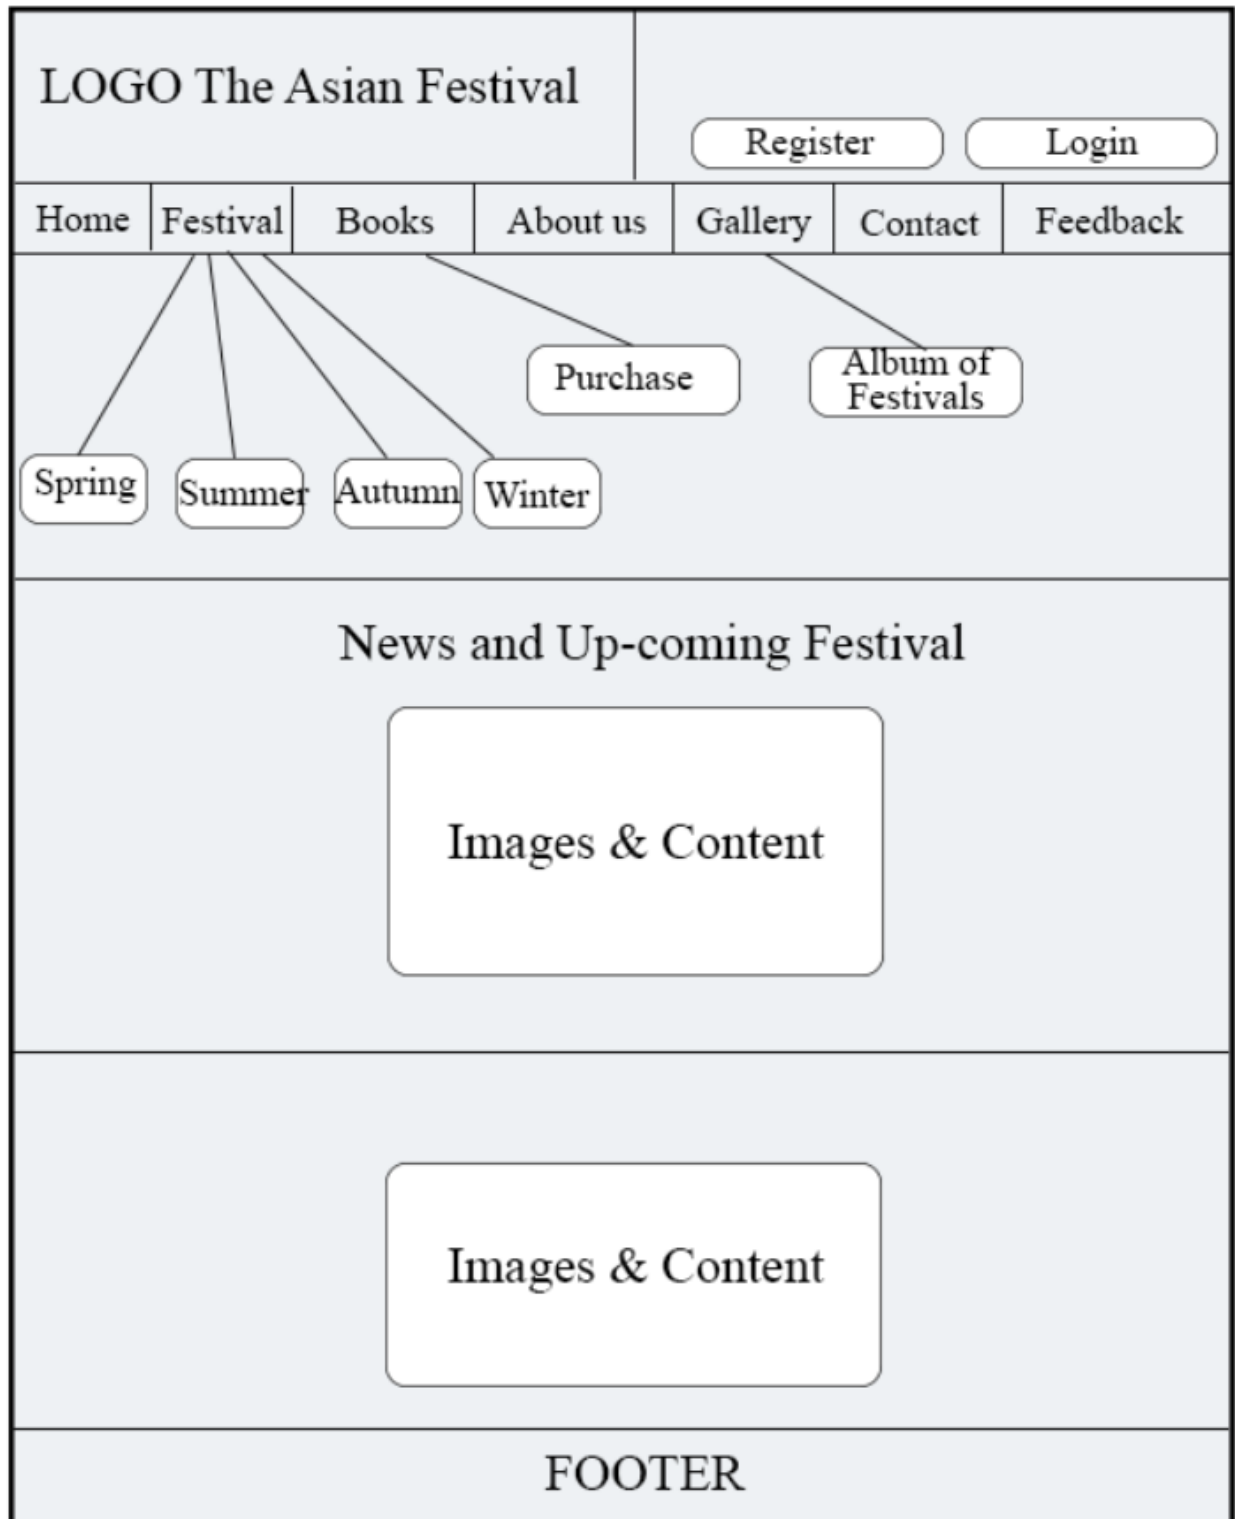

Navigation bar provides some information like Homepage, About us, Contact. Each section must have brief information.

- Content:

This part is customized belong to the title of the individual websites, especially for the Homepage, it will provide information or news about upcoming festival events.

- Footer:

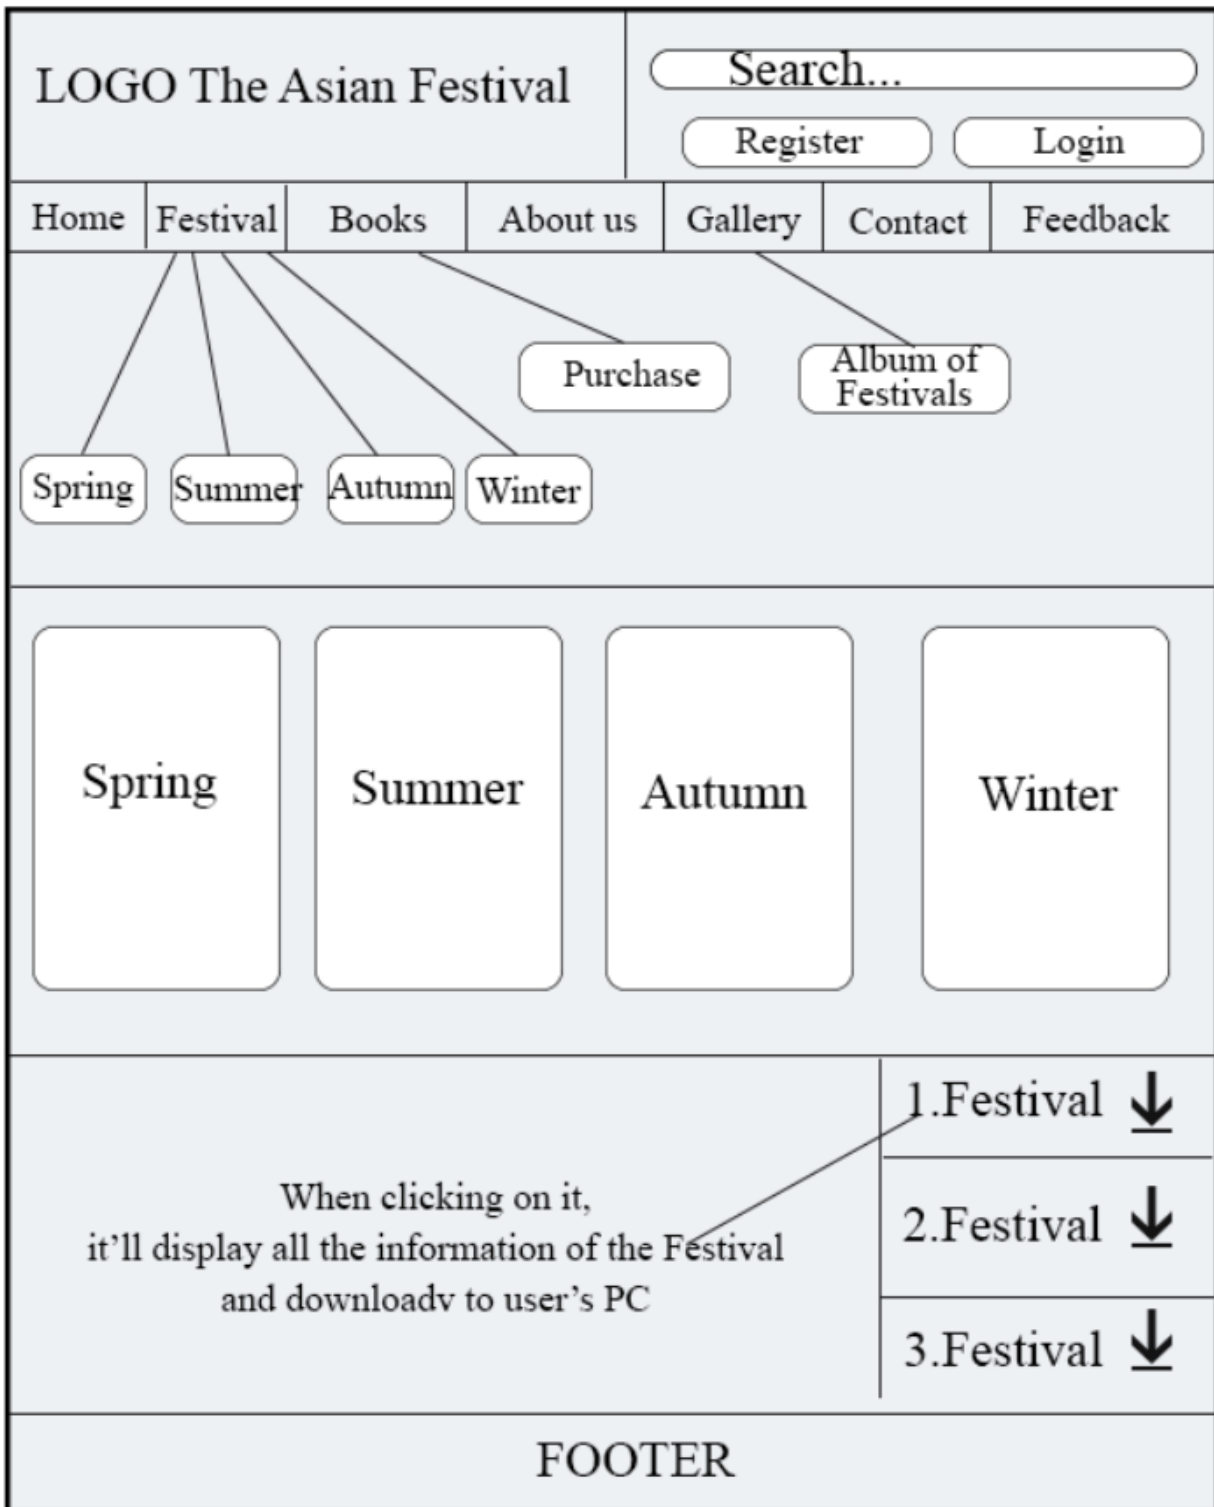

The last part of our websites Footer will let the users know our contact information such as 24/7 online phone number, office address which will even be a map leading to.

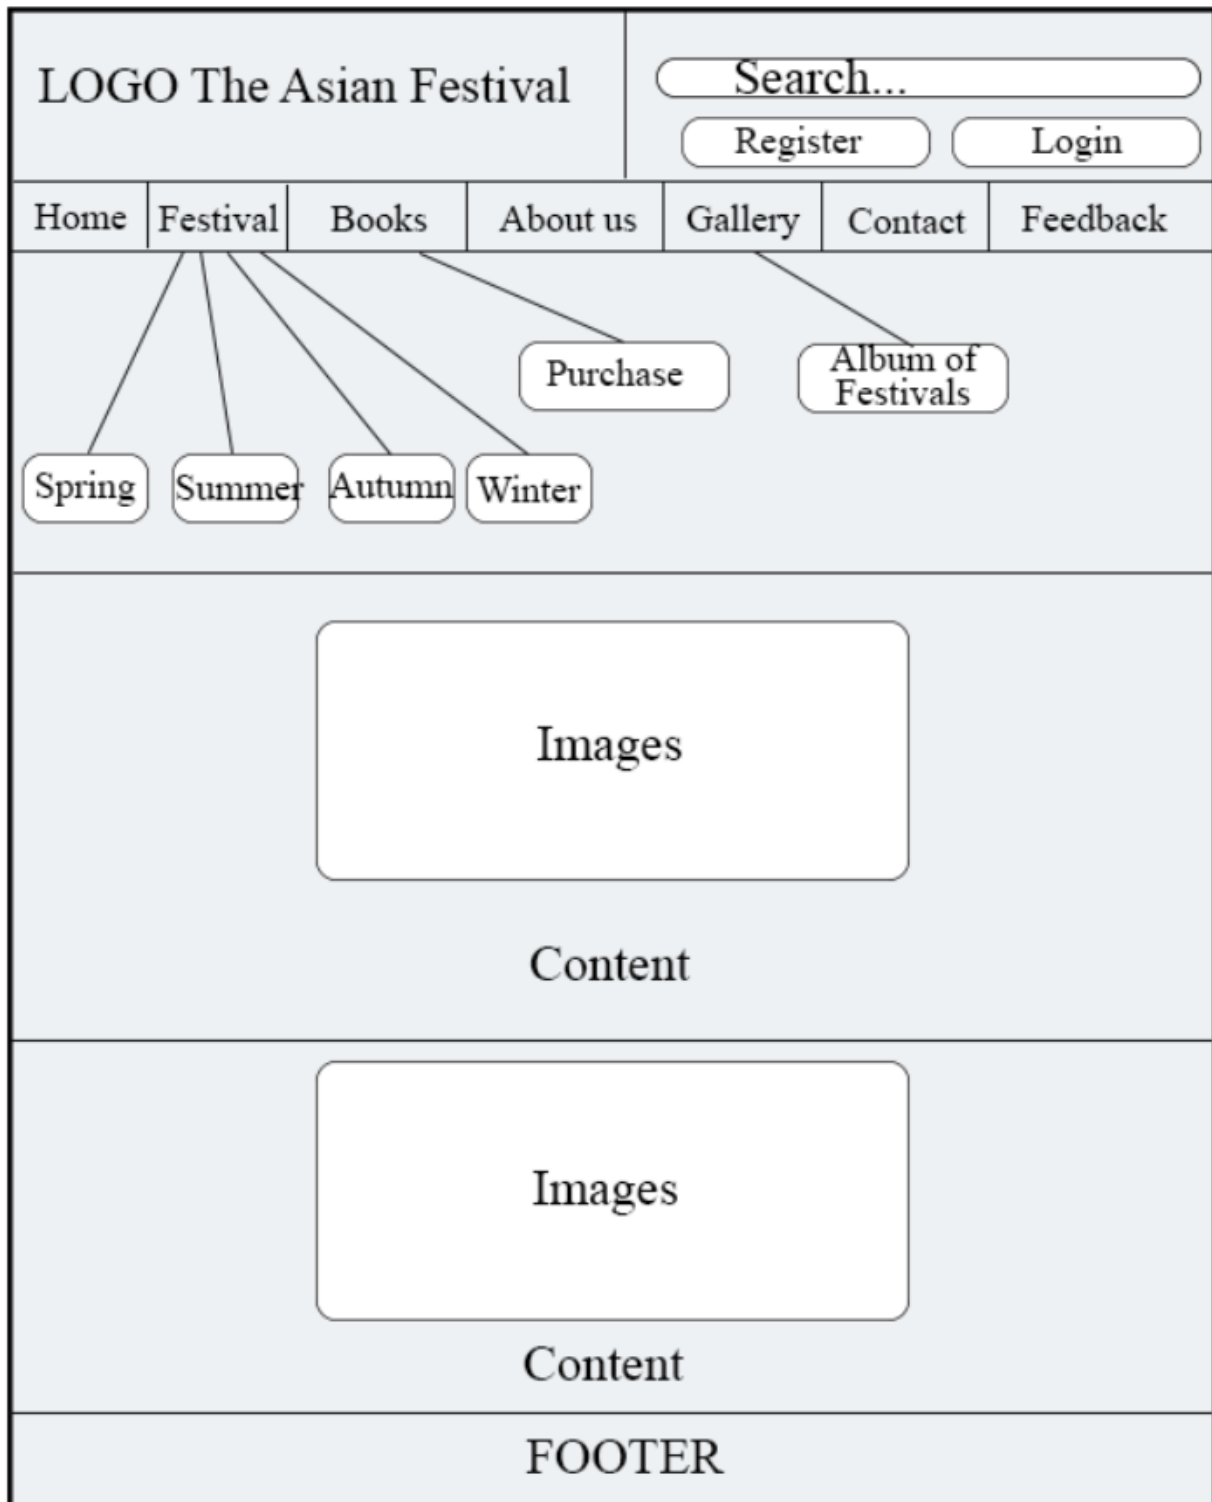

6.2 FESTIVALS PAGE:

When the users click on festivals page, it'll show you 4 seasons which contains preview image of each season, click on any season it'll lead you to another page with more festival details season you are interested in. On the right side, the page offers you some of the hottest festivals that can be downloaded as file .pdf

The page of each season will be applied to all of them. In it, there will be pictures attached to the content of the festival taking place in that season. We try to make them as close to a travel blog as possible. It also has a search bar in the same place as the home bar, which will make it easier for users to search for festivals.

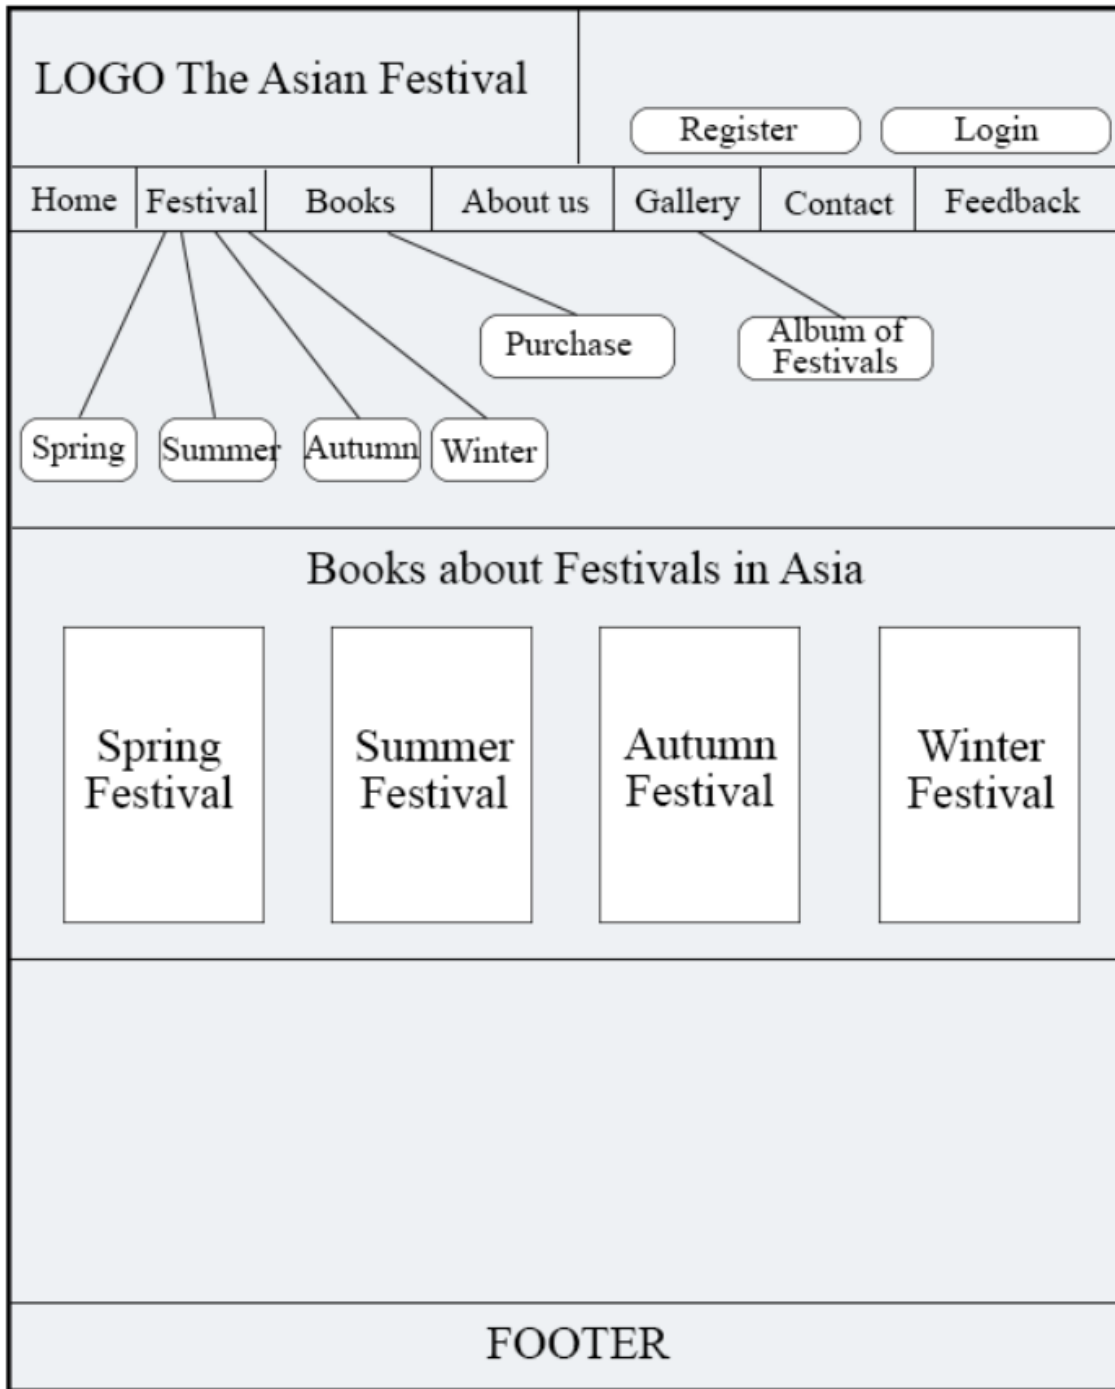

Festivals page

Page of each season

6.3 BOOKS PAGE:

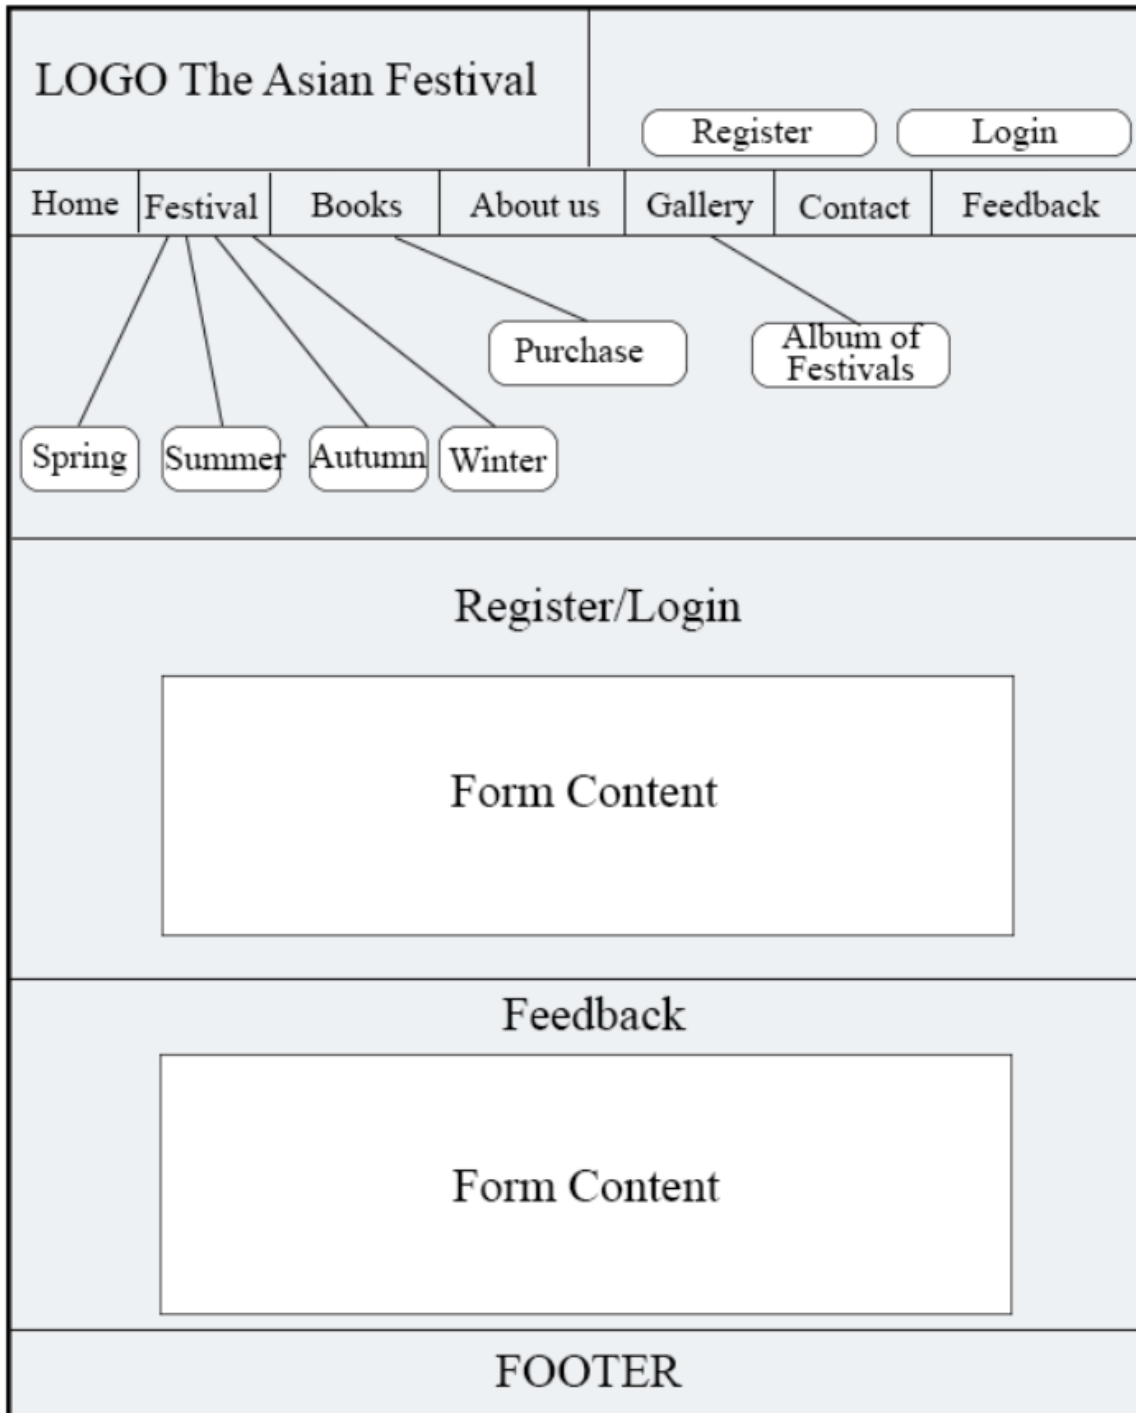

For this page, we will set up a transaction process when users have a need to buy or download the books, they will click on the books they want and that will lead them to the next step where their payment will be made.

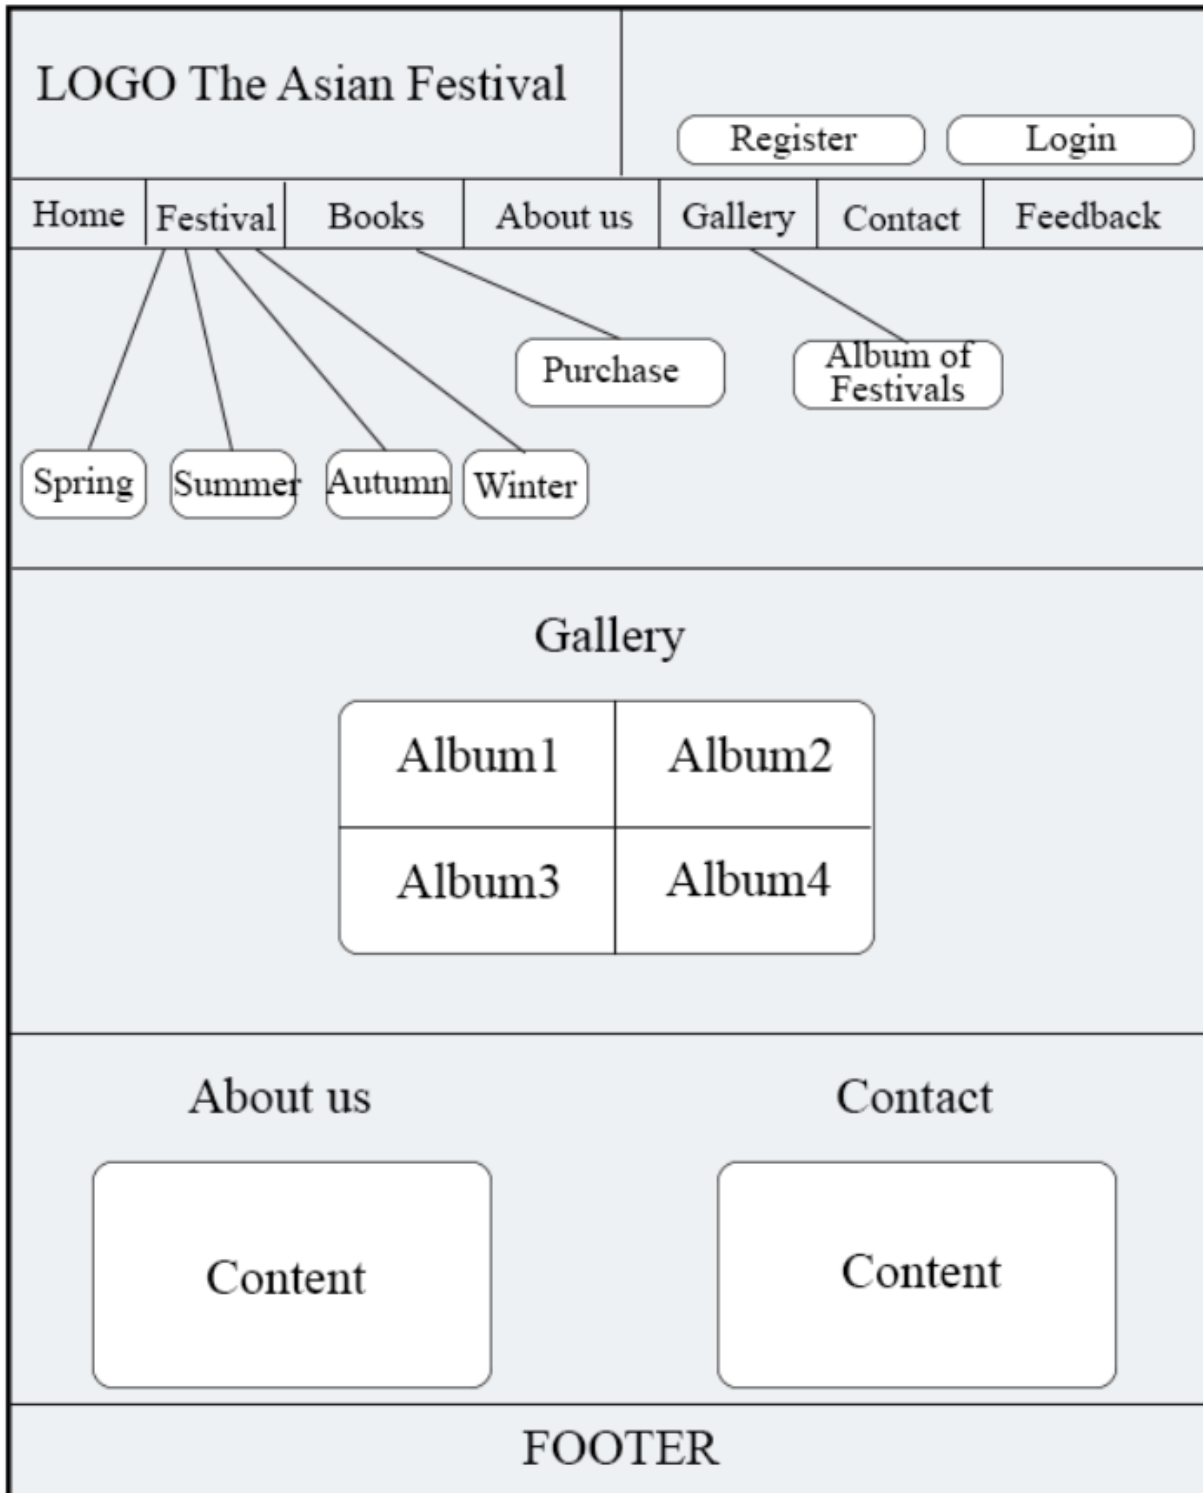

6.4 REMAINING PAGES:

This layout will be applied to other pages such as Feedback; Register; Login.

The remaining pages are presented as shown below

Register/Login/Feedback Page

Gallery/About us/Contact page

Impressed with Jeju Daeboreum Fire Festival Korea

Wishing for a bountiful harvest and a peaceful year, fortunately the people of old Jeju organized a very unique festival called Jeju Jeongwol Daeboreum Fire Festival.

Sparkling festival of sky lanterns in Binh Khe, Taipei

Referring to the sky lantern festivals, it would be a mistake to ignore the Binh Khe sky lantern festival - Pingxi Sky Lantern Festival - the biggest, most brilliant and majestic festival ...

Ati-Atihan Festival

Ati-Atihan is not only a festival with a long history, but also considered the largest, most colorful and exciting spring festival in the Philippines.

Held every year on the 3rd week of January, the Kalloto people in the center of Aklan province in Panay Island, Philippines are always eager to welcome the brilliant Ati-Atihan festival. The festival attracts the participation of many people, creating a magnificent, colorful and extremely interesting scene. And the Philippine tourist groups in this season are also eager and enthusiastic to participate in the festival.

festival is an occasion for Filipinos to honor the role of the guardian deity for the whole country. Every time on this occasion, the whole Kalibyo salem to change skin, the air is always resound thunders, the color of dressed and decorated the features is always eye-catching and vibrant colors. This is what called Pripina Saalem the reason.

Alman được biết người họ có rất nhiều, một người người nhập cư từ Malaysia đến này đây để có thể hòa nhập với người dân bản địa có tên là bộ máy, họ đã sinh một mình thành màu đen và để lại truyền thống ăn uống và để được một người cho các dân ăn và để dân sinh sống.

By this custom is still preserved and promoted. Festival participants are dressed in soot and dressed in colorful traditional costumes representing their locality. The whole road at this time sounds of trumpets, drums, various melodious songs and wild and powerful ethnic dances. If you include a carnival, Ad-Adnan is better.

time of the Ad-Adnan festival lasts for a week, but mainly focuses on the last 3 days: Friday, Saturday and Sunday. Especially on Sunday when the baby Jesus statue is carried from Marbo church, the procession is like a monumental parade that attracts a lot of participants, almost all Filipino tourists are present in this majestic procession.

Only that, An-Ashian also attracts visitors with an outdoor dance competition. To participate in this competition, each team of amateur dancers of 30 to 50 people practised hard every week before people from different localities, meeting to represent their pride to dance and compete with other teams. Although the prize money is large, it is still important to have fun and dancing spirit of the

Substrate atmosphere of the Adulachan festival makes us feel like we are lying in a carefree world, without the hustle and bustle, only music, laughter, colors and sounds of happy parties.

Another point worth noting is that although the festival is very grandiose and lasts for many days, there is always police to ensure security. Moreover, after participating in the merry beach less than an hour, don't be late to have fun and swim.
